

**QUITTAPAHILLA WATERSHED ASSOCIATION
MEETING MINUTES
ANNVILLE TOWN HALL
March 20, 2014**

Present: David Lasky, Mike Schroeder, Kent Crawford, Karen Feather, David Bailey

The meeting was called to order at 7:00 PM

1. The items discussed during the February meeting were reviewed and the minutes will be presented during the April meeting.
2. Mike Schroeder reported that considerable debris from the February ice storm was cleared from the creek in the Nature Park on March 15.
3. Dave Lasky reported that Pennsy Supply is working through their costs prior to establishing the amount that will be donated to Phase 1 of the stream restoration project. This information is needed prior to making the final Growing Greener Grant submission.
4. Dave Lasky reported that the Fish and Boat Commission grant for \$80,000 must be applied to Phase 1 of the project. The final application has not been submitted to the Fish and Boat Commission.
5. Dave Lasky announced that another round of Growing Greener Grants will be announced in April 2014. He will discuss with Rocky Powell.
6. Mike Schroeder announced that the Lebanon County United Way Day of Caring in Quittie Creek Nature Park is scheduled for Saturday, April 26 from 9 AM to 12 noon.

Meeting adjourned at 7:50 PM.

Respectfully Submitted,

David Bailey, Secretary
