

**QUITTAPAHILLA WATERSHED ASSOCIATION
MEETING MINUTES
ANNVILLE TOWN HALL
July 16, 2015**

Present: Dave Lasky, Allen Wood, Kent Crawford, Karen Feather, Joe Conner, Russ Collins, David Bailey, Alicia Norris, and Special Guest Robin Getz, Director, City of Lebanon Public Works.

The meeting was called to order at 7:00 PM

1. It was agreed to pay \$250 from the treasury to pay DEP in payment for an amendment to the Stream Restoration Plan. The work on Phase II stream restoration project will be starting in the Fall.
2. A group of approximately 30 Warrant Officer Candidates from Fort Indiantown Gap volunteered to assist in planting additional trees and shrubs. This work is scheduled for August 15, 2015. Mike Schroeder agreed to coordinate the effort.
3. Allen Wood agreed to look into obtaining additional trees to be planted by the volunteers.
4. Mike Schroeder reported that the results of DEP meeting and Rocky Powell will be posted on the Association's web site.
5. Kerry Rohland, Manager of Cleona Borough will be invited to the August 20, 2015 meeting.
6. Dave Lasky reported that a grant application had been submitted for Rocky Powell to prepare a Watershed Implementation Plan for Quittapahilla Creek in Cleona & North Cornwall Township downstream of the Hazel Dyke, including Snitz Creek.
7. Robin Getz reported on the City's status with compliance with the MS4 requirements and the effort to comply. She also noted that the City is not in compliance with PA Act 167 requirements.

Meeting adjourned at 8:00 PM.

Respectfully Submitted,

David Bailey, Secretary
